

It Still Matters

Supporting young adults and widowed.

2020 has become a unique and challenging time...

We want to begin by thanking our community of volunteers and donors who have continued to collaborate and support us through the COVID-19 times. We have become more creative in ways to serve our young adults and widows.

Whether you help pick up donations, teach online, solicit donations, or provide one on one services you are treasured and greatly appreciated.

We have ongoing service projects taking place for both Young Adults and Widowed in our community. Learning to provide virtual support has been challenging and fun. Our volunteers have recorded events, Zoomed chats, and continued to deliver needed services. Although we cannot meet in person we are finding ways to stay in touch and have meaningful contact while providing support.

We are blessed to collaborate with others in our community, Made New Maker-space, HOMES by Shelly, Project Everlast, COPE of Elkhorn,

Bethlehem House and Partnership 4 Hope.

Community donations allow us to provide furnishings, clothing, food, and kitchen items to young adults who are transitioning into adulthood and their "first" place. In just the first 4 months of this year we have donated over 10,000 lbs. of goods.

Even now we continue to grow, there are new opportunities everyday. Please ask how you can become part of our amazing group.

A Non-Profit 501 3 (C) organization committed to provide support and service to young adults transitioning into adulthood after leaving the foster care system and widowed of all ages. Through community we all come together and learn to help each other. We believe it matters to someone very special which is why we focus on the needs of the individual. Learning to believe in oneself and become a self advocate is a powerful life skill at any age or in any situation.

Join us won't you and make the difference in the life of someone very special.

The service we provide has not been cancelled due to
COVID-19!!!

PLEASE ask us how you can help during these trying
times. OandW.com

Updates

Annual Garage Sale

Sad but True - this year our Garage Sale has been cancelled due to the COVID-19 issues. It is one of our largest fundraisers of the year. We will miss seeing our repeat visitors and sharing stories.

Stay tune for 2021 we will be back.

Omaha Gives - May 1 - 20

We counting on community support to reach our goal this year. We need to raise enough money to continue our good works. Find us at Omaha Gives "Orphans and Widows of Omaha"

Skills 4 Life

All classes have been suspended until we can once again join together in our workshops. In place of our take and bake classes we are drawing 10 names, each month, of past participants and giving away 10 -\$25 gift cards to help with food needs.

Serving each other

If you know a young adult or widowed person who needs assistance please contact us. We are matching funds when a young adult helps a widowed person. Learn more at OandW.com

Our new look is temporary!

Donations....

When in doubt just ask.

We have found that if a donation is a little worn or rusty not a problem. Maybe it isn't just right for our young adults or widowed we can repurpose and find another use for it. We never let anything go to waste!!! So when in doubt just ask!!! We have donated approx. 10,000 lbs. of goods to date.

Please contact us for information on how you can help.
